## GUEST ARTIST

Our talented guest artist is the Teacher Trio, consisting of Anna Anderson, violinist, Irina Naryshkova, violist, and Alexander Badalov, cellist.

Anna Anderson began the piano at the age of four and a half. By the age of six she was admitted to a music magnet school in Ukraine. After completing seven years there, she immigrated to the United States and studied with Nanette Levy at the prep school at Mannes College of Music in Manhattan while attending high school. Mrs. Anderson received her Bachelors' degree in violin and music education from Boston University in 2000, and master degree in music education in 2003. She has been teaching general music and strings in the Concord Public Schools and privately for ten years.

Irina Naryshkova began her music education in Russia, where she graduated from Novosibirsk State Conservatory. In 1997, she graduated from Boston University receiving her Masters in music. She was a member of the American Russian Youth Orchestra, attended the Tanglewood and Pacific Music Festivals. Currently Mrs. Naryshkova is an assistant principal violist at the Nashua Music Festival Symphony, and the Cape Cod Symphony as well as an active freelance violist in the Boston area. She teaches strings at Westwood and Walpole Public Schools.

Alexander Badalov began his musical career at the age of fourteen. In 1992, Mr. Badalov graduated from Tbilisi State Conservatory where he was a student of Professor Revaz Machabeli and Professor Eldar Isakadze. Since completing his post graduate studies in 1994, he has been teaching and performing. After moving to the United States in 1995, Mr. Badalov graduated from the Longy School of Music in 1998, with an Artist Diploma. In addition to his performing career, he has performed in master classes with Natalya Gutman and Yo Yo Ma. He currently teaches cello in the Worchester Public Schools, and is the music director of the All City String Orchestra in Worchester.
