NORTHEASTERN SENIOR MUSIC FESTIVAL  
REHEARSAL POLICIES**

1. Due to limited rehearsal time, it is essential that all students be on time for all rehearsals. Please be sure to arrive at least 15 minutes prior to the scheduled starting time so that students may warm up, tune, and be in their seats ready to start the rehearsal at the appointed time. Students must participate in **all rehearsals** for the **full time** to be eligible to perform in the concert. Any student who does not participate in the concert forfeits eligibility.
2. Each school must have a designated chaperone in attendance at **all times** during rehearsals. That person must register the students at the desk upon arrival at **each** rehearsal and remain on site for the entire rehearsal period. School systems which do not have chaperones will forfeit their right to participate in the festival.
3. No student may, under any circumstances, drive a vehicle to any rehearsal, concert, or audition sponsored by MMEA and/or Northeastern District. No student may be a passenger in a vehicle driven by another student to any rehearsal, concert, or audition sponsored by MMEA and/or Northeastern District. Any violation of this rule will result in **automatic expulsion** of the student from the festival. Any student in violation of this rule that has been recommended for All State will have that recommendation revoked.
4. Any questions from parents or students concerning the rules should be directed to the school music director or person acting as a designated sponsor of the students to the festival.
