JUNIOR / SENIOR FESTIVAL REHEARSAL POLICIES & STUDENT CONTRACT

17. Due to limited rehearsal time, it is essential that students be on time for all rehearsals. Students should report to the rehearsal room (15) minutes prior to the start of rehearsal to warm up, tune, and be in their seats ready to start rehearsal on time.
18. Students must attend the full duration of all rehearsals to be eligible for the concert.
19. Students will not be excused from rehearsals. Exceptions for medical reasons and personal tragedies will be considered by the Festival Coordinator and the Chairperson upon receipt of notification from the school director.
20. Doctor's notes are required for medical excuses on a case by case basis.
21. Each school district must have a designated chaperone who checks in their group at the beginning of each rehearsal, and remains in attendance for the entire duration of the festival rehearsals and concert. School systems that do not have chaperones will forfeit their right to participate in the festival. Each school is responsible for its participants.
22. In accordance with MMEA policies, students must be transported by an adult chaperone to all auditions, rehearsals, and concerts. Students are not allowed to drive themselves or others to or from any MMEA sponsored event. Failure to comply with these regulations will result in dismissal from the festival.
23. Students may not leave the festival site for any reason.
24. Any student who does not participate in the Senior Festival concert may forfeit eligibility for All-State.

Any student in violation of these expectations that has been recommended for All State will have that recommendation revoked. Any questions from parents or students concerning the rules should be directed to the school music director or person acting as a designated sponsor of the students to the festival. Only directors or designees should have contact with the concert committee members. Parents and students should not contact the concert coordinator or any manager directly.
